

RESELLER PROGRAM

About us

Mandify.com is developed by Apne Apps Private Ltd; founded by IITians with experience working across the globe. A SaaS (Software as a Service) based platform for small / medium business; it's created to help small players grow by providing tools to compete and sell in the online space.

What we do

We provide e-commerce solutions for small/medium businesses and establishments. We help business to get online with their own website and a mobile platform. We empower the retailers with e-Commerce platform and help them retain & grow their market at affordable cost.

Checkout our work [here](#). And [this too!!](#)
